STAFF TRANSITION PROGRAMME

The final session of our Staff Transition Programme, facilitated by Declan O'Connell, took place last week. Declan presented the staff with a framed image of starlings in murmuration over Lough Ennell in Co. Westmeath to remind us that we can better overcome challenges and threats by coming together and appreciating everyone for the strengths that they bring to the team. This Thursday, the three staff teams will come together for a Christmas Social event. Many thanks to Caritas College for hosting us, the PR Committee for helping with logistics and Mr O'Brien for leading the activities!

Declan O'Connell presents a framed print of James Crombie's spectacular image over Lough Ennell.
